Ghana is considered one of the more stable countries in West Africa since its transition to multi-party democracy in 1992. Formerly **known** as the Gold Coast, **Ghana** gained independence from Britain in 1957, becoming the first sub-Saharan nation to break free from colonial rule.

Explore democracy in **Accra**, interesting **Kwame Nkrumah Mausoleum** and amazing **Aburi Botanical Gardens** and **W.E.B DuBois Centre**. Stroll the streets of the rural villages such as **Adinkra Village** to discover the life and scenic views of **Elmina** Central Region, and the **Cape Coast Region**. Tour the **University of Ghana** to better understand the Ghana educational structure. Visit the “**Slave River**” in Assin Manso and see the area where captured Africans were placed before confined in the slave castles before shipping to the Americas and Caribbean. Take a emotional journey to the slave dungeons, to be known as the “**Door of no Return**”. The experience and views of the life of the people of Ghana will forever be remembered. Their marked skill in woodcarving is remarkable and stunning. Explore the museums and cultural artifacts which are fascinating and exciting. Relax at the luxury hotels by the sea, and explore optional activities on your own—golf, spa, designer shops, and much, much, more.
