Cities in South Korea and Japan

Vacation departure and return is San Francisco, CA

Families On The Go Travel, LLC now has it for you—chance to visit 2 countries and 10 cities all on one trip!

Start today to prepare for a South Korea and Japan vacation to explore the lands of

Seoul, JeJu Island, Kukuoka, Nagasaki, Kagoshima, Hiroshima, Kochi, Kyoto, Mt. Fuji, and Tokyo!

- **Seoul**—Incheon is South Korea's third-largest metropolis and the largest seaport on the west coast. This capital city is a mix of modern skyscrapers, sophisticated complexes (like the 1988 Olympic Games complex).
- **JeJu Island**—South Korea's tropical island paradise will enchant you with its sandy beaches, swaying palm trees and amazing volcanic landscape. Waterfalls, museums, folk villages, scuba diving, hiking and festivals galore will keep you busy.
- **Fukuoka** - Though this cosmopolitan city offers no shortage of shopping opportunities and culinary delights, the natural beauty of the surrounding environment is also something to behold. Browse the enormous Canal City complex, then immerse yourself in the healing waters of Fukuoka's "onsen," or hot springs.
- **Nagasaki**—Historically rich Nagasaki features beautiful seaside scenery and fabulous nighttime views from its mountain slopes. Secluded hot springs, fascinating museums, and ornate temples live side by side in this exciting city.
- **Kagoshima**—Kagoshima is the southernmost city on Japan's bullet train network and the capital of Kagoshima Prefecture. The city is often compared with its Italian sister city, Naples, due to a similarly mild climate, and streets lined with palm trees.
- **Hiroshima**—While paying tribute to the infamous nuclear attack that destroyed the city in 1945, Hiroshima is now defined as a beacon of peace and prides itself on its exceptional natural beauty. See more than 300 cherry blossom trees in bloom at Peace Memorial Park.
- **Kochi**—The capital of Kochi Prefecture on the southern coast of Shikoku is small, friendly, and boasts several attractions of interest to travelers.
- **Kyoto**—Visit Osaka Aquarium, one of the world's largest aquariums which has over 580 species of sea life on display, or Universal Studios Japan, the company's first theme park outside of the U.S. Kyoto served as the nation's capital for more than 1000 years and is home to 17 different World Heritage Sites including Kiyomizudera Temple and Heian Jingu Shrine.
- **Mt Fuji**—One of the best-known symbols of Japan, this iconic mountain has been considered sacred since ancient times and was even forbidden to women until the early 1900s.
- **Tokyo**—Tokyo Yokohama, Japan: Even though Tokyo is among the largest, most frenetic cities in the world, it's still able to maintain a great deal of efficiency and charm. Amid the endless buzzing neon signs and the overhead cable webs, Tokyo is home to some of the world's most impressive architecture, stylish shops and 4-star restaurants.
